To:
The Honorable Paul E. Opsommer
Chairman, House Committee on Transportation
Lansing, Michigan 48909

Dear Representative Opsommer and members of the committee:

I support House Bill 4978 and Senate Bill 534 and ask that this letter be shared with the committee

I have been working in transplant field for over 11 years and see the need for organs for people waiting on the list for long periods of time. The above bills not only help in fund raising for donor registrations but are very important in bringing the awareness of organ donation and appreciation of people that are willir donate.

Thank you.
